ABOUT US

The first building block of ARF Academy was established in the year 2016 with a very young team.Initially, we started our training program named as "Impressive Font" and covered 30+ schools in coimbatore and Chennai alone in first year. Day in and day out we focused on improvement and introduced upgrade version of Impressive Font as Impressive Font+ with additional services. We started Tamil handwriting training "UYIRMEI" in the year 2017. At present, we have tied up with 75+ schools in Tamilnadu. Now we enlarged our vision to expanting our services for other states.
